FREEDOM OF INFORMATION ACT/PRIVACY PROGRAM

October 3, 2014

In reply refer to: FOIA #BPA-2014-01914F

Greg Overstreet
Ex 6

Mr. Overstreet:

We have received your request for records under the Freedom of Information Act (5 U.S.C. § 552). Thank you for your interest in the Bonneville Power Administration (BPA). Your FOIA request was received in this office on September 26, 2014 and has been assigned control number 2014-01914. Please use this number in any correspondence with the agency about your request.

You requested:

"I would like the total dollar amount of all printing done with the (Government Printing Office) GPO for the time periods:

1. June 2007-April 2008
2. June 2007-May 2012

At this time I am only requesting the total value of the work, not individual invoices. For example, from 6/07 – 4/08, the BPA paid \$xxxx to the GPO for printing work. If easier, you can send me ALL work done with the GPO (not just printing)."

We have reviewed your letter and determined that it addresses all of the criteria of a proper request under the FOIA and the Department of Energy's FOIA regulations at Title 10, Code of Federal Regulations, Part 1004.

You agreed to pay up to \$200.00 in fees to process your request in the event that your request for waiver or reduction in fees is denied. We have determined that you do not meet the qualifications for a fee waiver or reduction in fees.

BPA has twenty (20) working days to respond to your request. The due date for a response to you is Monday, October 27, 2014.

I appreciate the opportunity to assist you. If you have any questions about this letter, please contact Marla J. Cummins, FOIA Case Officer (BPA Contractor, Act 1 Group) at (503) 230-5247 or via email at mjcummins@bpa.gov.

Sincerely,
