Mr. Johnson:

Thank you for your letter of June 10, 2015, requesting a consultation on documents found responsive to your Freedom of Information Act case #BIA-2015-01169. Your request involved two files, right-of-way maps.

Upon review of the files, we have determined the following:

BIA-2015-01169-1953_Redacted.pdf – This map, although it reflects the placement of a Bonneville Power Administration (BPA) transmission line and right-of-way, does not belong to BPA. The record is the property of the Public Utility District Number One of Klickitat County, Washington. As the record shows that it is recorded in Klickitat County, Washington, and you have redacted any privacy issues regarding private landowners, BPA does not object to its release as marked.

BIA-2015-01169-1972.pdf – This map is a BPA record. BPA does not object to its release in its entirety.

I appreciate the opportunity to assist you. If you have any questions, please contact Kim Winn, Case Coordinator, at 503-230-5273 or via email at kswinn@bpa.gov.

Sincerely,
