Mr. Iboshi:

We have received your request for records under the Freedom of Information Act (5 U.S.C. § 552). Thank you for your interest in the Bonneville Power Administration (BPA). Your request was received in this office on December 10, 2014 and has been assigned control number BPA-2014-00341-F. Please use this number in any correspondence with the agency about your request.

You requested:

“I would like a complete list of salaries for Bonneville Power Administration employees for Fiscal Year 2013 and 2014. I would like the name of the employee, a job description and/or department, and salary broken down by baseline salary, overtime, and bonuses.”

We have reviewed your letter and determined that it addresses all of the criteria of a proper request under the FOIA and the Department of Energy’s FOIA regulations at Title 10, Code of Federal Regulations, Part 1004. You have agreed to pay all applicable in fees.

Complex requests:

FOIA requires that we act on requests “promptly” and that we make a determination on your request and respond within 20 working days (5 U.S.C. § 552(a)(6)). The Bonneville Power Administration has instituted multi-track processing, as permitted by FOIA (5 U.S.C. § 552(a)(6)(D)(i)). Simple requests and complex requests are placed in two different queues, and each queue is processed on its own first-in, first-out basis. Requests are placed in the complex queue if they will require significant agency time or resources to process.

Unusual/exceptional circumstances:

Under FOIA, an agency may extend the normal 20-day deadline by an additional ten business days if “unusual circumstances” exist (5 U.S.C. § 552(a)(6)(B)(i)). Unusual circumstances include the need to search records located in field facilities, requests for a voluminous amount of records, and requests that require consultation with other agencies or agency components including Department of Energy headquarters. If an agency cannot fulfill the request within the 30 working

days provided by the extended deadline, agencies must (a) notify the requester and (b) work with the requester to modify or limit the scope of the request or arrange an alternative time frame for processing (5 U.S.C. § 552(a)(6)(B)(ii)).

Due to the fact we will need to pull this information from our payroll systems and consult with Department of Energy headquarters on information concerning members of the Senior Executive Service, this particular FOIA request is considered "complex". Therefore, we currently estimate the completion of your request by January 23, 2015.

I appreciate the opportunity to assist you. If you have any questions about this letter, please contact E. Thanh Knudson (Case Officer, DEA Onsite Contractor) at (503) 230-5221.

Sincerely,
