Kim – I spoke with Ellen Camp this morning, who helped me with how to narrow down the fields on the Lease Database spreadsheet for info that you'd be able to send. With her guidance, I'd like to get the following fields from the Acquisition tab, along with the legal description.
Fields: A-E, I-O, T-AG. Plus legal description info.

Let's start with that and see if it's necessary to look at the Case tab later. Thanks so much for your help.

Good morning. Nothing else is needed to withdraw your request.

You have perfect timing - I just received the attached yesterday afternoon. If you identify any fields that you feel could meet your needs that do not contain personally identifiable information about property owners (Exemption 6 review required), or reveal commercially sensitive information regarding commercial entities (Exemption 4 review required), then we could likely get the information to you quickly.

Let me know.

Kim – just following up on our conversation last week, when we confirmed that the request will be withdrawn. Please advise if you need any additional action from me to do that. You had mentioned that you would be able to provide a system generated list (at no charge) as an alternative to the initial request. Can you give me a time frame for that? Thanks.
