## Reasonably Describe Records

Describe the specific record(s) you seek with sufficient detail that a knowledgeable official of the activity may locate the record with a reasonable amount of effort. Such detail should include: dates, titles, file designations, and offices to be searched.

Since most DOE records are not retained permanently, the more information you provide, the better the opportunity there is to determine if the records involved still exist and where. The FOIA clearly states that records must exist at the time the request is submitted.

Enter description:

A copy of the solicitation and all amendments issued by the Bonneville Power Authority or its designated contracting agency for the work performed by Power Engineers to prepare Appendix D, Underground Route Study, of the I-5 Corridor Reinforcement - Draft Environment Impact Statement (EIS). The solicitation or its equivalent should include the "performance work statement" (PWS) or "statement of work" (SOW) that describes the background, objectives, scope of work, specific tasks, and deliverables for services performed under the solicitation. This request does not seek any pricing or proprietary data of Power Engineers. The request is limited to information prepared by the government for the purpose of soliciting services that led to the preparation of Appendix D of the I-5 Corridor Reinforcement Draft EIS.

## Fees and Fee Waivers

Your request must include a statement that (1) you agree to pay any fees that may be incurred to process the request, (2) stipulates an amount you are willing to pay, or (3) requests specific waiver or reduction of fees.

Please select the statement that applies:

- I agree to pay all applicable fees.
- I agree to pay up to a specified amount for fees.

Enter amount

I request a waiver or reduction of fees.

If you request a waiver or reduction of fees, we will consider the following six factors to make a determination. Please provide information that addresses these factors:

The subject of the request: Whether the subject of the requested records concerns, "the operations or activities of the government."

The information concerns the activities of the government in the solicitation of services to prepare portions of an EIS.

The informative value of the information to be disclosed: Whether the disclosure is, "likely to contribute," to an understanding of government operations or activities.

The information will contribute to an understanding of how the government scoped the work to prepare a portion of the EIS.

The contribution to an understanding by the general public of the subject likely to result from disclosure, taking into account your ability and intent to disseminate the information to the public in a form that can further understanding of the subject matter.

As president of a local homeowners association, I have the ability to disseminate information to the general public in a manner and form that will increase the community's understanding and awareness of the actions of BPA.

The significance of the contribution to public understanding: Whether the disclosure is likely to contribute "significantly" to public understanding of government operations or activities.

Disclosure will significantly increase the public's understanding because the information will be shared with community members, local civic leaders, and in letters to local newspapers.

The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that would be furthered by the requested disclosure, and, if so.

There is no commercial interest in the disclosure of this information.

The primary interest in disclosure: Whether the magnitude of the identified commercial interest of the requester is significantly large, in comparison with the public interest in disclosure, that disclosure is, "primarily in the commercial interest of the requester."

The primary interest in disclosure is to inform the local community. I have no commercial interest in the disclosure of this information.

If my request for a waiver or reduction in fees is denied, I agree to pay up to (enter amount)  to process my request.

## Expedited Processing

I request expedited processing of the request and provide a justification below. I believe a compelling need exists to warrant expedited processing because there is:

an imminent threat to the life or physical safety of an individual.

an urgency to inform the public concerning actual or alleged Federal Government activity

(this option available ONLY for requesters primarily engaged in disseminating information).

Please provide your specific justification for expedited processing:
