Sir, Thank you for your interest in the Bonneville Power Administration. We have received your request for the Corona & Field Effects software. Unfortunately, the file is too large to email. I will need a good mailing address for you in order to fulfill your request.

Hi, Kim –

Here is a request for the Corona and Field Effects Program, Version 3.

Are you the proper contact for this kind of request.

Is it something you email or mail to the requestor?

Thanks,
