Reasonably Describe Records

Describe the specific record(s) you seek with sufficient detail that a knowledgeable official of the activity may locate the record with a reasonable amount of effort. Such detail should include: dates, titles, file designations, and offices to be searched.

Since most DOE records are not retained permanently, the more information you provide, the better the opportunity there is to determine if the records involved still exist and where. The FOIA clearly states that records must exist at the time the request is submitted.

Fees and Fee Waivers

Please select the statement that applies:

- I agree to pay all applicable fees.
- I agree to pay up to a specified amount for fees.

Enter amount _____

- I request a waiver or reduction of fees.

If you request a waiver or reduction of fees, we will consider the following six factors to make a determination. Please provide information that addresses these factors:

The subject of the request: Whether the subject of the requested records concerns, "the operations or activities of the government."

I applied to the 2013 SPC Trainee position and was not selected. With over 20 years of experience in the field as an electrician, and a disabled Veteran that completed the Union apprenticeship, I am wondering who was selected. In doing so, it will help ensure that appropriate Veteran personal will be selected in the future.

The informative value of the information to be disclosed: Whether the disclosure is, "likely to contribute," to an understanding of government operations or activities.

The information will determine whether Veteran personal were selected for these positions

The contribution to an understanding by the general public of the subject likely to result from disclosure, taking into account your ability and intent to disseminate the information to the public in a form that can further understanding of the subject matter.

I am being set up to fail the PSC training program and when I do, this information will be used as part of my complaint process.

The significance of the contribution to public understanding: Whether the disclosure is likely to contribute "significantly" to public understanding of government operations or activities.

Moderately contribute

The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that would be furthered by the requested disclosure, and, if so.

No commercial interest

The primary interest in disclosure: Whether the magnitude of the identified commercial interest of the requester is significantly large, in comparison with the public interest in disclosure, that disclosure is, "primarily in the commercial interest of the requester."

No commercial interest

If my request for a waiver or reduction in fees is denied, I agree to pay up to (enter amount) \$50.00 to process my request.

Expedited Processing

I request expedited processing of the request and provide a justification below. I believe a compelling need exists to warrant expedited processing because there is:

- an imminent threat to the life or physical safety of an individual.
- an urgency to inform the public concerning actual or alleged Federal Government activity (this option available ONLY for requesters primarily engaged in disseminating information).

Please provide your specific justification for expedited processing:
