Re: FOIA

Dear Mr. Frost,

We own and live on property that BPA's transmission lines pass through, and therefore BPA has easements to pass through our land and by our home at will. We ask that you please provide proof (in electronic form) from BPA's logs and records, including GPS recordings for any and all utility activity between the Grizzly AC substation and the Ponderosa AC substation, (whether it be a "BPA" crew or a subcontractor assigned by BPA). the day of the of January 8, 2016.

Respectfully,

John Fahlstrom
