Dear BPA FOIA Officer:

King County DOT Road Services Division, Survey Unit is performing boundary survey work in the Northwest Quarter of Section 34, T. 22 North, Range 7 East of the Willamette Meridian and requests copies of any BPA transmission line right-of-way maps that affect King County Tax Parcel No. 342207-9001 located at 32413 SE Kent-Kangley Road, 98051. We would like sheets that show the towers on or adjacent to this property and the next nearest tower to the west and to the east of the subject parcel.

It appears that the following transmission lines cross the parcel:

1. Raver-Monroe Line No. 1 (1966)
2. Vantage-Covington Line No. 1 (1964)
3. Rocky Reach-Raver Line No. 1
4. Vantage Covington No. 2 (1964)
5. Grand Coulee-Raver No. 1 & No. 2
6. Columbia-Raver MP 173-176.

Please send copies of the applicable right-of-way sheets in your standard format--pdf files are more desirable than paper prints, if that is acceptable under your policies. Attached to this email is an exhibit map showing the area of concern.

If you have any questions please contact me at King County DOT, RSD Survey Unit.

Best regards,

John Lauritzen, PLS  
Engineer I  
King County DOT, RSD, Survey Unit
