Mr. Pace -

Thanks you for your interest in BPA. I have copied this response to the BPA FOIA inbox, so that we can begin the intake process for your request. The request will be assigned to a Case Coordinator and if any questions arise, the Case Coordinator will contact you for clarification. We will then provide a formal acknowledgement letter that will indicate an estimated response time.

Respectfully,

C. M. Frost

the the following email address: (b)(6)

Alternatively, if an electronic copy is not available, please send me the requested document at the following address:

Charles Pace, Ph.D.
