---

Mr. Cline –

Thank you for your interest in BPA. While BPA regularly receives requests of this nature, we are unable to post the software to the web. Therefore, I have copied this response to BPA's FOIA inbox so that one of our Case Coordinators can begin processing your request. Under the FOIA, BPA has ten business days to provide an initial response – I anticipate that we should be able to fulfill your request within that timeframe.

Respectfully,

**C. M. Frost**

Information Governance Supervisor, FOIA/Privacy Officer | CGI-7

**Bonneville Power Administration**

I would like to request a CD copy of the Corona and Field Effects Program for our use. Is it possible to mail out a cd to the address below or just email an image of the disk? (or is it posted on the web?)

120 Oakfield Place SW

Calgary Alberta T2V0J2
