FREEDOM OF INFORMATION ACT PROGRAM

March 4, 2016

In reply refer to: FOIA #BPA-2016-00576-F

Mr. Cabauatan:

We have received your request for records under the Freedom of Information Act (5 U.S.C. § 552). Thank you for your interest in the Bonneville Power Administration (BPA). Your request was received in this office on February 12, 2016, and has been assigned control number BPA-2016-00576-F. Please use this number in any correspondence with the agency about your request.

**You requested:**

“Copies of the sign-in sheets from this week’s BPA focus 2028 workshops.”

We have reviewed your request and have determined that it addresses all of the criteria of a proper request under the FOIA, DOE, and BPA regulation that implements the FOIA at Title 10, Code of Federal Regulations, Part 1004.

**Final response:**

We conducted a search of the paper/electronic records of the Director of Energy Efficiency Services, Kim Thompson. We have located nine pages of material responsive to your request. We are releasing nine pages with certain information redacted under Exemption (b)(6) of the FOIA.

The Freedom of Information Act generally requires the release of all government records upon request. However, FOIA permits withholding certain, limited information that falls under one or more of nine statutory exemptions (5 U.S.C. §§ 552(b)(1-9)).

Exemption (b)(6) protects information in “personnel and medical files and similar files” when the disclosure of such information “would constitute a clearly unwarranted invasion of personal privacy” (5 U.S.C. § 552(b)(6)). Exemption (b)(6) requires balancing the public interest in the information against the individual privacy interest at issue. Here, we assert this exemption to

redact individual's names. We find limited public interest in this information and therefore redact it under Exemption (b)(6). We are releasing the names of organizations because the privacy interest is limited to individuals. Moreover, we find a public interest in releasing information as to the organizations engaging with BPA in public processes.

Information that falls under Exemption (b)(6) cannot be discretionarily released; the right of privacy belongs to the individual, not to the agency. Therefore, we did not analyze this information under the discretionary release guidelines in Attorney General Holder's March 19, 2009, FOIA Memorandum.

**Appeal:**

Pursuant to Department of Energy FOIA regulations at 10 C.F.R. § 1004.8, you may administratively appeal this response in writing within 30 calendar days. If you choose to appeal, please include the following:

- (1) The nature of your appeal - denial of records, partial denial of records, adequacy of search, or denial of fee waiver;
- (2) Any legal authorities relied upon to support the appeal; and
- (3) A copy of the determination letter.

Clearly mark both your letter and envelope with the words "FOIA Appeal," and direct it to the following address:

Director, Office of Hearings and Appeals  
Department of Energy  
1000 Independence Avenue SW  
Washington DC 20585-1615

There are no fees associated with this request.

Thank you for your interest in the Bonneville Power Administration. I appreciate the opportunity to assist you. If you have any questions about this letter, please contact Kim Winn, Case Coordinator, at 503-230-5273.

Sincerely,

C. M. Frost  
Freedom of Information/Privacy Act Officer
