Dear Ms. Hylton:

This communication is the Bonneville Power Administration's (BPA) final response to your request for agency records made under the Freedom of Information Act, 5 U.S.C. § 552 (FOIA). Your records request was received by BPA on August 10, 2017 and acknowledged on August 28, 2017.

### Request

"...Bonneville Power Administration's (BPA) fiscal records concerning all unclaimed, undeliverable, overdue and/or outstanding funds or obligations, (i.e. deposits or obligations NOT currently held by your state's abandoned property division) in the amount of \$599 or greater, currently held in accounts managed by the Bonneville Power Administration, including any and all:

1. Called, matured, and/or currently redeemable municipal bonds or other securities issued by any BPA agency, and any outstanding or uncashed dividend payments associated with these securities.
2. Amounts on deposit with the BPA that are held in trust for recipients whose whereabouts are unknown, including instances in which payment was never attempted, payment was never requested, and/or instances when payments were returned as undeliverable. Such amounts may relate to (but are not limited to) refunds, over-payments, cash deposits, cash escrows, cash securities, performance bonds, escrows, eminent domain, matured government bonds, real estate foreclosures, vendor payments, restitution payments, proceeds from public sales of lost property, unsuccessful electronic fund transfers, and/or lost heir accounts, and so on.

3. Checks or warrants issued by the BPA for payments on obligations incurred by any BPA agency, department, office, court, college or other authorized authority that have remained outstanding for a period of six months or longer; AND the payee retains the right to claim the funds. (i.e. The payment has not been replaced, was not issued in error, and/or the obligation to the payee has not been voided by law.)

Specifically, the released records should include the amount held on behalf of the payee/recipient, any available identifying information regarding the recipient of the funds, the date associated with the obligation, and information indicating either the account in which the funds are held or the nature of the payment. Additionally, if BPA issued a check that was not negotiated, please provide the check number, the check date, and the address where the payment was sent, if available. Responsive documents may include the following:

- Stale Dated/Un-cashed Checks Report/Register
- Check/Warrant Reconciliation Report/Register
- Unclaimed Checks Report
- Cash Bond History Log
- Reimbursable Bond Report
- Performance Bond Deposit Report/List
- Active/Open Cash Deposit List”

### **Response**

BPA has conducted electronic searches of records in the following agency offices: Financial Systems & Automation. No agency records responsive to your request were identified.

BPA's Financial Systems personnel have indicated that for any unclaimed money, the agency's Accounts Payable (AP) desk receives a notice from the United States Treasury Department and thereafter the agency contacts the payment's owner for recourse, whether for salary or any AP payment made. This includes Limited Payable payments that are aged over one year and remain uncashed. Further regarding your Item 1, BPA's Financial Systems personnel have indicated that, being a Federal entity, BPA is not allowed to issue debt. Only the United States Treasury Department may do that. Further regarding your Item 2, under Federal law, all funds in the Bonneville Fund are available to the Administrator of Bonneville. Further regarding your Item 3, the agency doesn't regularly see the types of items you've requested. Since the United States Treasury Department is the agency's Bank, and holds the account funds, the Treasury may have the information you seek.

### **Certification**

Your FOIA request is now closed with no available agency records to provide. Pursuant to 10 C.F.R. § 1004.7(b)(2), I am the individual responsible for the release and determinations described above.

**Fee**

There are no FOIA fees applicable to your request for BPA records.
