1. Purpose & Background

This BPA HR Directive supplements BPA HR Directive 410-06: Employee Leave, Work Schedules, and Telework. Specifically, it sets forth procedures for implementation of a compressed work schedule (CWS) for the Transmission Scheduling Unit, Transmission Marketing and Sales, Transmission Services (formally Transmission Supply Unit, System Operations Section, Transmission Services Group).

2. Policy Owner

The Chief Administrative Officer, through Human Capital Management’s (HCM) Strategic Integration (NHI-1), and Labor Relations (NHE) has overall responsibility for monitoring, reporting, executing, and maintaining this BPA HR Directive.

3. Applicability

This BPA HR Directive applies only to full-time Real-Time Schedulers in the Transmission Scheduling Unit, Transmission Marketing and Sales, Transmission Services Group.

4. Policy

This plan supplements provisions of the labor agreement between Bonneville Power Administration (BPA) and the American Federation of Government Employees Local 928 and shall be consistent with any revisions made to such labor agreement and applicable laws and regulations.

Employees rotate through three established work shifts that provide coverage 24 hours per day, 7 days per week. Shifts are 8 hours and 12 hours long: Shift #1 is 0600 to 1800 hours; Shift #2 is 1800 to 0600 hours; and Shift #3 is 0800 to 1630 hours. No lunch break is included in shifts #1 and #2; shift #3 includes a 30-minute lunch break.
5. Standards & Procedures

A. Administrative workweek: For time and labor reporting, the designated administrative workweek shall extend from 0600 Sunday to 0600 hours the following Sunday.

B. Basic work requirement: The number of hours, excluding overtime hours, an employee is required to work or to account for by charging leave. An employee’s basic work requirement is 80 hours in a pay period. This work may be scheduled in fewer than five days in an administrative workweek or fewer than 10 days in two administrative workweeks.

C. Designation of workday for regularly scheduled night-shift work: The night shift is scheduled to start on the day it is shown on the schedule. For example, a 12-hour shift that starts at 6 p.m. on Saturday is to be recorded as 12 hours worked on Saturday. (Note: in the example used this does not affect the employee’s entitlement to Sunday premium pay for the entire 12-hour shift worked on Saturday because a part of that shift is worked on the calendar day of Sunday.)

D. Regularly scheduled administrative workweek: For a given employee, the rotating tours of duty to which the employee is assigned.

E. Tour of Duty: The tour-of-duty for employees under this program is the rotating shift assignments of affected employees. Management may, as appropriate due to operating needs, temporarily adjust the arrival and departure time of an employee’s scheduled duty shift. Credit hours may neither be earned nor used.

F. Overtime work: Overtime hours are all hours an employee is ordered to work on any day in excess of his/her compressed schedule. Regularly scheduled tour or duty hours, including 12-hour shifts, worked by an employee are not overtime.

G. Compensatory time off: Time off is time off in lieu of pay for irregular or occasional overtime work.

H. Night pay: Night pay is paid for work performed between the hours of 6 p.m. and 6 a.m.

I. Holidays: An employee who is relieved or prevented from working on a day designated as a holiday (or an “in lieu of” holiday) is entitled to pay for the number of hours he/she normally would have been scheduled to work that day.

For an employee whose work shift covers portions of two calendar days, the designated holiday (or the “in lieu of” holiday) is based on the employee’s work shift that commences on such holiday. (See example below under “Holiday Premium Pay.”)
J. **Holidays falling on non-workdays:** When a holiday on a scheduled non-workday for an employee, the workday immediately before that scheduled non-workday is designated as the “in lieu of” holiday.

K. **Holiday premium pay:** An employee who performs non-overtime work on a holiday (or a day designated as the “in lieu of” holiday) is entitled to basic pay plus premium pay equal to his/her rate of basic pay for that holiday work. Holiday premium pay is limited to the number of hours normally scheduled to be worked on that day. Additional ordered or authorized work on that day is compensable as overtime.

For an employee whose work shift covers portions of 2 calendar days, the designated holiday (or the "in lieu of" holiday) is based on the employee's work shift that commences on such holiday. (For example, if an employee is scheduled to work, and does actually work, a shift from 1800 hours to 0600 on both July 4 and July 5, the entire work shift beginning on July 4 is considered the holiday and the employee would receive 12 hours of premium pay for the period of 1800 hours to 0600 hours that began on July 4.)

L. **Sunday Pay:** An employee who performs non-overtime work during a period of scheduled duty, a part of which is performed on Sunday, is entitled to Sunday pay for his/her entire period of duty on that day.

M. **Absence from Work:** Time off during an employee's basic work requirement must be charged to the appropriate leave category unless he/she is granted compensatory time off or an excused absence.

N. **Training, Travel, Court Leave, Military Leave, Etc.:** Employees shall be assigned to 8-hour day shifts, as appropriate, when they are engaged in authorized activities that take them away from their regular work.
