

2008 Network Open Season Cluster Study Update

Posted: October 29, 2008

Effective: October 29, 2008

In accordance with timelines identified in the Network Open Season (NOS) public process, BPA Transmission Services would like to advise customers as to the status of the Cluster Study for the 2008 NOS.

BPA plans to complete the Cluster Study the week of November 3, 2008.

Following internal review, BPA will post the results of the Cluster Study to the NOS web site the week of November 17, 2008, and will discuss the results of the Cluster Study at a public meeting scheduled for Thursday, November 20, 2008 (details on this meeting will be made available shortly).

For more information on the NOS process, visit the webpage at:
